

How to use language games using Wordwall

CEFR level: Any level

Trinity Qualification(s) type: GESE and ISE

Skills Focus: All skills

Resources:

- Register on Wordwall and create a free account [here](#)

Description:

1. Wordwall allows creators to make custom activities for their classroom such as quizzes, match ups, word games and much more!
2. Sign in and select a template from the many on offer by clicking on the Create button. Think about your learners' needs and interests. What are they interested in? What do they need to review and practise?
3. The free version allows you to create 5 activities, but there are many activities available on the community page of the site, so be sure to look through those as there are some great tasks. The Community page can be found [here](#).
4. Here are some examples from the Community page:
 - [A quiz about prepositions](#)
 - [Interactive clothes activity](#)
 - [Open the box activity \(giving advice with should\)](#)There are many public resources available.
5. For the paid versions, details can be found on this page <https://wordwall.net/account/upgrade>
