

## GAME 5 - BoR 5

Can you find your way through the maze from the pink rectangle at the top to the pink rectangle at the bottom? To help you get there, look for all the words that contain the /ʃ/ sound.

You can go **up** (↑), **down** (↓), **left** (←), and **right** (→) but you can't go diagonally!

 fashion	shout	usually
television	discussion	luxury
conclusion	action	decision
ocean	special	garage
machine	vision	leisure
anxious	push	musician
