"Superstition" by Stevie Wonder - a classic funk tune that celebrates the power of music to bring people together and get them moving.

For songs about personal events that happened recently, it's slightly more complicated, however, we can use songs that draw inspiration from the emotions and experiences referred to in the song and that include the present perfect which is the grammatical tense that is used to talk about actions or events that have recently happened or that started in the past and continue up to the present.

Here are some popular songs that make use of the present perfect tense in their lyrics:

"I've Been Working on the Railroad" - a traditional folk song that describes the speaker's experience working on a railroad

"I've Had the Time of My Life" - a classic love song from the movie "Dirty Dancing" that celebrates a relationship that has lasted for a significant amount of time

"We've Only Just Begun" - a classic love song that describes the beginning of a relationship and the promise of future happiness

"I've Just Seen a Face" by The Beatles - a classic pop rock song that describes the speaker's feelings after seeing someone they're attracted to

"I've Been Everywhere" by Johnny Cash - a classic country song that describes the speaker's travels and experiences across different parts of the world

"I've Been Tired" by Pixies - a classic alternative rock song that describes the speaker's feelings of exhaustion and frustration

"I've Been Loving You Too Long" by Otis Redding - a classic soul song that describes the speaker's feelings of love and devotion towards their partner

"I've Been Waiting for You" by Neil Young - a classic folk rock song that describes the speaker's longing for a loved one to return

"I've Made Up My Mind" by Florence + the Machine - a contemporary indie pop song that describes the speaker's determination to make a change in their life

"I've Just Begun (Having My Fun)" by Britney Spears - a classic pop song that celebrates the speaker's desire to live life to the fullest and enjoy their youth.
